## About me

I am a curious person who is open to new knowledge and skills, constantly seeking learning opportunities to stay updated and improve my professional performance. I have excellent communication and teamwork skills, as well as a creative and innovative mindset to find original solutions to everyday challenges. I am skillful in problem identification and resolution, using an analytical and results-oriented approach.

My professional goals are to apply my skills in a collaborative and challenging work environment, contributing to the success of the team and the company with creative and effective solutions.
